---

# Choropleth Map

# GeoJson

```
{  
  "type": "MultiPolygon",  
  "geometry": {  
    "type": "coordinates",  
    "coordinates": [...]  
  },  
  "properties": {  
    "name": "United States of America"  
  }  
}
```

# GeoJson

```
{  
  "type": "MultiPolygon",  
  "geometry": {  
    "type": "coordinates",  
    "coordinates": [...]  
  },  
  "properties": {  
    "name": "United States of America",  
    "population": 325,700,000  
  }  
}
```

## Example

```
chart.selectAll("path")  
  .data(geoJsonData.features)  
  .enter()  
  .append("path")  
  .attr("d", geoPath)  
  .attr("fill",  
    d => cScale(d.population)  
  )
```
